

# Putting it all together

# Grigory SANAKOEV

"There are **no hopeless positions**; there are only inferior positions that can be saved.

"But at the same time, don't forget that there is **no such thing** as a won position in which it is impossible to lose."

# “I was winning but...”

- **Win when you're winning**
  - Keep control
  - Swap off pieces
- **Draw/Win when you're losing**
  - Swap off pawns but not pieces
- **Win when you're *only just* winning**
-
